**General Requirements**

- There is a presumption of conformity with respect to the requirements of the Personal Protective Equipment Regulation, when all applicable harmonized standards listed in the Official Journal of the EU are being applied.
- This EU Type-examination certificate is limited to the Personal Protective Equipment Regulation.
- This EU Type-examination certificate is part of the Conformity Assessment procedure Module B and C, as described in Personal Protective Equipment Regulation.
- The validity of this EU Type-examination certificate is limited to products, which are equal to the one(s) assessed for this EU Type-examination.
- When the manufacturer (or holder of this EU-type examination certificate) is placing the listed products on the European market or the countries of the EEA, he is obliged to label the products with the prescribed CE logo. The CE logo stands for conformity to all applicable Directives and Regulations.  
Next to the CE logo the manufacturer has to draw up and issue a Declaration of Conformity, declaring that the product(s) described in this EU Type-examination certificate, are in compliance with Regulation (EU) 2016/425 and any other applicable EU harmonization legislation.
- Each product shall be identified by means of type, batch and/or serial numbers and the name of the manufacturer and/or importer.
- If the equipment is to be modified, Kiwa shall be notified immediately. Depending on the modifications, Kiwa may have additional examinations carried out in consultation with the applicant.
- In case any referenced standard in this EU-type examination certificate is withdrawn or superseded and the presumption of conformity with the essential requirements has ceased, investigation by Kiwa is needed to determine the validity of this EU-type examination.
- For category III PPE, this certificate shall only be used in conjunction with one of the conformity assessment procedures referred to in point (c) of Article 19 of the Personal Protective Equipment Regulation.
